Gray Water Return Authorization Form

Article VIII of Chapter 20 of the Code of Ordinance for the City of Tarpon Springs, Section 20—102(b)(1) provides that:

“Re-introduction of gray water shall be prohibited unless the grease waste hauler has written authorization to return the gray water from the FSE concerned and that the written authorization has been filed with the City of Tarpon Springs”.

Article VIII further provides that the:

“The return of gray water back into the grease interceptor from which wastes were removed is allowable only for FSEs which have not obtained a variance from the monthly pumping frequency provided that grease and solids are not returned to the interceptor and further provided that the grease hauler has written authorization from the FSE to return the gray water”.

Please mail or deliver this completed authorization to:

City of Tarpon Springs Wastewater Treatment Facility
Attn: FOG Management Program
201 East Pine Street
Tarpon Springs, Florida 34689

If you have any question or require assistance with the completion of the gray water return authorization form, please contact the City of Tarpon Springs FOG Management Program at (727) 942-5616.

Section VII. – Authorized Signature

I certify that I have read Article VIII of Chapter 20 of the City Code of Ordinances and understand that I shall utilize a grease waste hauler who has registered with the City of Tarpon Springs for pumping services. Pumping services shall include the initial complete removal of all contents, including floating materials, wastewater, and bottom sludges and solids from the grease interceptor. Additionally, I understand that the return of gray water back into the grease interceptor from which wastes were removed is allowed, provided the grease and solids are not returned to the grease interceptor.

I further certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.
