The Pinellas County Real Estate Agents Disclosure Program is a joint effort between Pinellas County Government and the county's real estate agents, through the Pinellas Realtor Organization, which ensures real estate professionals let potential buyers know whether a property is in a Special Flood Hazard Area (SFHA) and if flood insurance is required. Pinellas County staff will provide an overview of the program and instruction on using the Pinellas County Online Flood Map Information Service and the Flood Disclosure and Information brochure at this free two-part training session. **Please bring a laptop to participate in the interactive Flood Map Service Center session. Please install chrome and enable pop-ups in advance.**
