### Memorandum

**Date:** August 14, 2017  
**To:** Jay Jackus, Procurement Services Director  
**Through:** Paul Smith, Public Services Director *PS*  
**From:** Raymond Page, Utilities Superintendent  
Frank L. Fulghum III, Wastewater Division Manager  
**Subject:** To Authorize the Purchase of Seven (7) Sumitomo Mixers

**Recommendation:**

To authorize the purchase of seven (7) Sumitomo Mixers in an amount not to exceed the stated bid of \$51,800.00.

**Background:**

The Wastewater Treatment Facility utilizes specific brand mixers during the treatment process. This Facility has seven treatment areas that require these mixers. One mixer was purchased more than five years ago, while the others were purchased 15 years ago. Since then, each mixer have been rebuilt many times. However, they have reached their end life for being rebuilt.

The purchase of new mixtures will allow us to replace the current ones, simultaneously reducing downtime for operations and increasing treatment efficiencies.

These mixers will be funded from the 2017 Fiscal Budget account 402-4603-536-64.00.
