Memorandum

Date: April 4, 2018
To: Jay Jackus, Procurement Services Director
Through: Paul Smith, Public Services Director *PS*
From: Raymond Page, Utilities Superintendent
Subject: Authorize Purchase of Check Valves from Fluid Control Specialties, Inc.

Recommendation

Authorize purchase of five (5) new 12" Flanged Rubber Flapper Check Valves for the RO Facility that will be utilized in the water plant in the amount of \$25,375.00.

Background

The R.O. Facility main distribution pumping system requires new check valves to update the system with a valve that will offer additional longevity. These valves will be installed at no charge to the City by the original installer Wharton Smith Inc. providing a significant savings on labor. The application that they operate in has continuous high pressure which is involved with pumping high volumes of water. Fluid Control Specialties, Inc. is the authorized area distributor for these type of valves and has provided a discount for these units.

Funding

Funds for this purchase are budgeted the FY 2018 budget in account 402-4305-536.6300 Project # W/S 1833.
